

Edgar Jakim Hernández Arrieta

26 years old, 6+ of expertise.

About me

Over the last 6+ years I have developed several Single Page Applications (SPA), responsive web applications and websites for startup companies and small businesses. I have gained experience in latest HTML5 features, CSS3 / SASS, JavaScript, jQuery, PHP, MySQL, Codeigniter 2.x, Laravel 4.x / 5.x, Node.js, and GIT as a version control systems.
